

# The Una Vision August 2023

## Partnership with Forest Hills Baptist

Please be praying for our Transition Team as they begin meeting and begin to plan.

Everyone wants to know what is happening. This is what I, Robin, know.

They have met. There is no plan of action at this moment because they are getting to know each other, asking for reports from me and Mark and working hard to plan to make Una Baptist great again. You will know as soon as they have something to tell us. Remember, God is in control and on his time schedule.

The most asked question is do we know who our Pastor will be. The answer is simple, no. Pastor Jay Hardwick and Michael Kelley will make sure we have a speaker every Sunday until the plan is in place. It will not necessarily be Pastor Hardwick or Michael but someone they believe will have a great message for us to hear. Josh Matterson will be in the pulpit August 6<sup>th</sup>.

## USA Group

Thursday, August 10<sup>th</sup> the bus will be pulling out at 10:00AM. We are on the move to Bell Buckle and Robin will be driving. Most of you know what a delicious lunch we will have and sorry men, a little shopping as well. Let Ann Woods know if you plan to ride the bus. Please note it's THURSDAY, August 10<sup>th</sup> @ 10AM.

## August 2023

### Thank You

Thank you so much for all of your prayers, cards and meals following my hip surgery and prolong bronchitis and anemic illness. We appreciate our church family!

*Thank you*

### Una Kids

Knowing who made something can add value to the thing that has been made. We want our preschoolers to know God made everything. God made so many good things and we are going to explore this month from day one to day seven.

Lessons for August:

Week 1—Light and Dark; Sky Above Water

Week 2—Land, Plants, and Seas: Sun, Moon, and Stars

Week 3—Sea Animals and Birds

Week 4—Land Animals and People

*“God saw everything he made. And it was very good.”*

*Genesis 1:31 NIRV*

When we look outside and see the beautiful world around us, we’re reminded that God is great, powerful, and creative. From the birds flying high in the sky, to the planets orbiting the sun, to animals scampering around the earth, everything we see points to God’s immense creativity. Jesus used creativity in the way He told parables, performed miracles, and helped His followers understand more about what it means to be part of God’s kingdom. On top of that, we’re created in God’s image. We can solve problems, create art and music, and design skyscrapers high into the sky. When we create, we reflect the image of God to the world around us.

**God View:** The connection between creativity and God’s character, as shown through God’s big story.

*We are God’s creation. He created us to belong to Christ Jesus. Now we can do good works. Long ago God prepared these works for us to do.*

*Ephesians 2:10, NIRV*

Have a  
Great Summer!

Dear God,

As the school year begins, please watch over our kids. Keep them safe and surround them with people who will encourage them to live for You. Thank you for all our teachers, bless them and give them strength.

Amen
